THE SURE DEFENCE

Hotel & Guest Safes

*We protect what
you care most about!*

Hotel & Guest Safes

A range of room safes designed specifically for hotels, schools, university halls of residence, hospitals, secure units, and other shared accommodation.

All models are simple to use and feature back up emergency access in case of a forgotten user code.

Our hotel safes all come supplied complete with a master code and an emergency override key. For added security upgrade to a password protected electronic opening tool which will also provide a full history of openings and other events.

With back lit keypads and audible key stroke confirmations all models are designed to enhance the user experience.

Offered in a range of practical shapes and sizes that will accommodate common possessions such as laptops, jewellery, cash, and passports; with models available that are designed to fit into a variety of different types of furniture.

We have models for all budgets and levels of accommodation, from simple to stylish and elegant designs suitable for the 5* & 6* market.
